Elle Marmi S.r.l.

- Back in 1946, Alessandro Luciani, opened a workshop for the working of marble, stone and granite in the city of Carrara, which boasts a tradition without precedents. Today the family tradition is continued by the company Elle Marmi and other associated companies.
- A competence consolidated on workmanship, experience matured over time, not only of white marble but of all marbles, stones and granites both Italian and foreign, the use and application of technologies ever more innovative, have contributed to make Elle Marmi a company in the forefront, which operates with satisfying results both in the Italian market as well as abroad, furnishing consultancy both to architects and constructors.
- Elle Marmi is able to supply any type of material and follow all the phases of the workmanship, from technical assistance of planning, shop drawings, shipment of material to any part of the world and installation by specialised teams of supervisors and installers, if requested.
